TOTAL:		89.250

Renovation of Barauni and Kanti Thermal Power Stations

†*279. SHRI MAHENDRA SAHNI: Will the Minister of POWER be pleased to state:

(a) whether Government propose to renovate the Barauni and Kanti Thermal Power Stations;

†Original notice of the question was received in Hindi.

(b) if so, the details thereof;

(c) if not, the reasons therefor; and

(d) the details of the proposal relating to the extent of augmentation in power generation capacity after renovation of these plants and the amount allotted for this purpose?

THE MINISTER OF POWER (SHRI SUSHIL KUMAR SHINDE): (a) to (d) Yes, Sir. The Government of India has programmed the revival of Barua Thermal Power Station (TPS) Units 4 & 5 (2x50 MW) and Kanti (Muzaffarpur) TPS Units 1 & 2 (2x110 MW) and Renovation and Modernization (R&M) of Barua TPS Units 6 & 7 (2x110 MW) with the involvement of Government of Bihar, Bihar State Electricity Board (BSEB), NTPC Ltd. and Bharat Heavy Electricals Ltd. (BHEL). Planning Commission has already released Rs. 75 crores against an estimated cost of Rs. 506 crore to M/s. BHEL to take up the work for Barua Units 6 & 7 and Muzaffarpur TPS Units 1 & 2 under Rashtriya Sam Vikas Yojana (RSVY). BSEB and NTPC Ltd. have formed a Joint Venture named "Vaishali Power Generating Company Ltd." to run Muzaffarpur TPS. Order for revival of both units have been placed on BHEL. Technical specification for Residual Life Assessment/Conditional Assessment/Performance Evaluation Test of Barua Units 4 & 5 has been submitted by NTPC to BSEB. NTPC Ltd. has also submitted the scope of work with cost estimates for Restoration of Unit 5 to BSEB on 10.07.2006. After carrying out revival/R&M works on the units, the units are expected to operate with full output during 11th Plan.
